

Michele Alves de Moraes

SAP BW Developer

About Me

Highly motivated SAP Analyst Programmer with 23 years of experience. I leverage my expertise in various modules (SD, MM, FI, etc.) and tools (Web App Design, Data Modeling) to solve complex business challenges. I'm passionate about using data analysis (SAP BW) to extract valuable insights and streamline processes. Always eager to learn new advancements (SAP Analytics Cloud) and collaborate effectively to achieve project goals.
