Summary

Passionate and dedicated Tech Lead with a robust background in electronics, software development, and automation. With over 8 years of experience in the tech industry, I have consistently demonstrated my ability to lead and develop mobile applications, particularly in iOS and Android platforms. My tech stack includes TypeScript, Java, React, and React Native. My professional journey has equipped me with a comprehensive understanding of mobile development, from testing to full-scale application deployment. I thrive in dynamic environments where I can continuously learn and contribute to innovative solutions. Fluent in English and Portuguese, I bring a global perspective and a commitment to excellence in every project I undertake.
